

## 47th CGB of IRTSA - A Grand Success

- A Member's Reflections

*By Er. Ethirajan Ramesh JGS (CEC) IRTSA*

I have attended the IRTSA CGB for 14 consecutive years. In my opinion, this (47th Conference of IRTSA at RCF Kapurthala) was the most successful CGB of IRTSA even in terms of number of participants. I was stunned to see the Engineers from different parts of country assembled in RCF to attend the CGB of IRTSA.

Wow, what a determined and well co-ordinated IRTSA/RCF team. All credit goes to the Executive members of IRTSA/RCF Unit.

Grand Welcome accorded to the Central President and General Secretary and taking them to the Waris Shah Hall by Chariot decorated with flowers was mindblowing.

Well decorated hall, dining and Stage "looted" hearts of all Engineers. I express my appreciations to the decoration committee headed by Er.Amrit Lal Choudhary Unit Treasurer/RCF.

The General Secretary Report presented by our Er.Harchandhan Singh GS/IRTSA exhibits the visionary thinking of IRTSA and its leaders.

Motivational magnetic speech of our Central President Er. M. Shanmugam attracted all engineers.

Reception committee headed by Er. Gurjit Singh & Er. Parmjit Singh received all the delegates from the respective railway stations to the venue and accommodation. Their dedicated services are indeed incomparable.

The accommodation committee headed by Er. Jagtar Singh allotted best of accommodation & facilities to bear the coldest weather (8°C). Kudos to Er. Baldev Raj Advisor/IRTSA-RCF who had taken due care for each and every delegate while allotting the accommodation

Very informative Souvenir was circulated to all delegates. For a new member, it will give valuable information about IRTSA, its achievement and the importance of the existence of IRTSA. The Souvenir committee lead by Er. G.P. Singh, have done a wonderful job.

Last but not the least, Catering ... Wow what a delicious breakfast, lunch and dinner for two full days (thanks to Er. Jatana). We have enjoyed and felt like in hometown. Delegates will never forget the varieties of snacks supplied in the hall after every 15 minutes with packaged drinking water. The tastes of the food given with great hospitality are still lingering on our tongue. (Of course in our hearts too)

All the activities were well co-ordinated by the great leader Er. Darshan Lal Working President /IRTSA and Er. Mayank Bhatnagar, Secretary/IRTSA-RCF Unit.

WELL DONE IRTSA-RCF UNIT

LONG LIVE IRTSA !!!
