## 59<sup>th</sup> FOUNDATION DAY OF IRTSA

On 27<sup>th</sup> November 1965, IRTSA was founded by a group of young Apprentice Mechanics. IRTSA continuous to provide strong platform for Rail Engineers / Technical Supervisors working on Indian Railways and continuously striving for welfare & upliftment of the category. It has made remarkable achievements during these 59 years and continues to strive to meet challenges before us and to scale bigger heights in the years ahead.

On this occasion I salute all the founder members, office bearers and active members of IRTSA who consistently fought for the common cause with conviction and dedication and faced victimization - especially during the 1974 strike and at many other occasions at various levels.

I sincerely thank all the Members & office bearers and all others who continue to give their support and cooperation in strengthening the organisation and in pursuing the cause.

There are challenges ahead of us in achieving Group-B status, pay level-7 for JE, CMA & DMS, pay level-8 for all SSE, CMA, CMS & SE(IT), NFU from level-8 to level-9 after completion of four years without any restrictions, anomalies in MACPS, delay in Cadre restructure, formation of 8<sup>th</sup> CPC, etc. I hope together team IRTSA will scale to new height by converting challenges into opportunities.

On the Foundation Day of I extend my warm greetings to all the members of Rail Engineers' / Technical Supervisors' family and wish everyone all the best.

Let us all celebrate Foundation Day of IRTSA across Indian Railways and exchange pleasantries.

Thank You, Long live IRTSA

Yours' truly
