

REMEMBRANCE DAY FOR A MARTYR

REMEMBRANCE DAY

For a Martyr

We remember Shri. **V. DILLI RAJA**,
JE/C&W/MAS,
who lost his life on **07.03.2010** while
performing duty at MAS platform due to the
poor infrastructure, inhuman working condition
and manpower shortage.

Even after one year there is no improvement in
the conditions which caused his death and the
authorities responsible have not implemented
corrective measures to ensure safety.

We urge Railway Board to fill up the vacancies,
provide proper infrastructure and provide safe
& conducive working environment in S.Rly.

Issued by
**Indian Railway Technical Supervisors'
Association**

On 07.03.2011, Technical Supervisors/Rail Engineers of BBQ Coaching Depot, Gopalsamy Nagar Coaching Depot, TNPM goods yard, Tambaram car shed, Avadi Car shed, Carriage & Wagon works, HQ/S.Rly and ICF participated in the silent rally organized in remembrance of Shri.Dilli Raja JE, who was run over by a train and lost his life exactly one year before, while performing his duty. The procession started in front of Chennai Central Station Manager's room and ended near the spot where the unfortunate accident happened. All the Engineers and staff participated in the procession condemned the attitude of Railways for their apathetic attitude towards Technocrats. They strongly condemned the lethargic attitude of some of the officers of Chennai Division for not taking any corrective and preventive measures to avoid the recurrence of such tragic incidents.
