The Prime Minister approved the outline of Performance Monitoring and Evaluation System (PMES) for Government Departments in September, 2009. Under PMES each Department is required to prepare a Results Framework Document (RFD) which would provide a summary of the most important results that a Department expects to achieve during the Financial year. The RFD of the Department of Pension & Pensioners' Welfare of 2010-11 envisages finalization of a strategic plan of the Department for the next 5 years. The strategic plan of Department of Pension & Pensioners' Welfare is under formulation.

2. The Department has conceptualized its vision as "To ensure a life of security, dignity and respect for Central Government pensioners". In order to achieve this vision, the Department has the following as its Mission:

- Formulation of pension policy;
- Timely and smooth payment of pension and other retirement benefits;
- Constant review of rules/regulations and procedures;
- Facilitating prompt redressal of the grievances thereby promoting the welfare of pensioners.

3. The strategic plan has to be formulated keeping the 'Vision' and 'Mission' statements of the Department in view. For this purpose we need to "assess the situation" in consultation with the stakeholders to understand the ground realities in the fulfillment of the same. As the view points of your organization are very important in the formulation of the strategic plan, I propose to have a meeting on 14-5-2010 at 3.30 PM in Conference Room, Sardar Patel Bhavan, New Delhi where we would like to take your valued opinion in this respect.

4. The completion of pension revision process consequent to implementation of 6th Central Pay Commission recommendation is an area of concern for the Department and has been taken up in the various meetings by the staff side of JCM (Council). Hence I would like to take this opportunity to understand the status.

5. May I request you kindly to depute a senior Officer preferably GM/or above from your organization to attend the meeting.

Yours sincerely,

Sd/-
