Proposal to Amend RTI

The Central Government has received some suggestions/communications suggesting amendments to the Right to Information Act. These include enlargement of the scope of exemptions from disclosure of information, rejection of vexatious and frivolous requests etc. It has, however, been decided that amendment to the Act, if any, shall be made after discussion with various stakeholders.

This information was given by the Minister of State in the Ministry of Personnel, Public Grievances and Pensions Shri V.Narayanasamy in written reply to a question in the Rajya Sabha today.
