IRTSAsubmits Exhaustive Memorandum to Incen
tive Committee

IRTSAs has submitted another exhaustive memorandum to the Incentive Revision Committee, seeking a revision of Hourly Rates & Bonus Factor based on scientific and established formula of at least minimum pay in each Pay Level divided by 208 (Standard working hours per month).

The 69 pages detailed Memorandum highlighted that total 'on roll' strength of employees covered under Incentive system was only 1.03 lakh from Helper to SSE (and not over 2.5 lakh as was earlier projected by administration for reflecting the financial implications of the revision of rates of Incentive). Strength of each Workshops & PUs was collected individually by IRTSA under RTI from each Unit and then tabulated separately in the Memorandum.

Main demands, Revised rates of Incentive Bonus / Bonus factor may be fixed as per revised Pay Levels of 7th CPC on the basis of minimum of pay in Pay Level divided by 208 standard hours in a month; And improvement in existing rate of Incentive for SSE from 15% with no reduction of Allowed Time and no surrender of posts. Extension of incentive for left out staff working in PUs & Workshops, not covered under incentive system including Drawing, Design, Lab & Stores Staff.

REVISION INCENTIVE BONUS EXPECTED SOON

Incentive rates are likely to increase by 2.25 times instead of minimum of 2.57 times demanded by Staff Side at par with the rise of pay after 7th CPC. Date of implementation likely to be 01.07.2017, incentive may continue @ 15% of pay for SSE and no reduction in allowed time subject to acceptance by Railway Board.

IRTSAsubmits Memorandum to Member Staff on Classification of posts of Technical Supervisors in Group 'B'

1. Many high powered Committees – including RAIC headed by Justice Wanchoo (1969) and Justice Sikri (1978), Railway Reforms Committee (1984) and Railway Safety Committees headed by Justice Khanna (1998) besides others – recommended for classification Senior Technical Supervisors in Group B Gaz to ensure “safety” on the Railways. Committee constituted by Railways on classification of posts in its report agreed that, classification of posts in the Central Govt. departments are notified by DoPT after every pay commission based on Level Pay. In spite of the above said position having been taken note of by the Committee, as prevailing in other Central GovtDepts as compared to the Railways, the Committee has not accepted the demand for Classification of Posts of Senior Technical Supervisors (SSE etc.) in Level 7 in Group B Gazetted on the Railways- at par with other Depts.

4. Department of Defence Production & Supplies (MoD) had reclassified Forman (Technical) from Group C to Group B (Gaz) as Junior Works Manager.

5. Ordinance Factory Board (MoD) the post of Asst. Forman (Group B non-Gaz) Pay Scale Rs.6500-11500 with Junior Works Manager in Pay Scale 7450-11500 (now in Level 7) and classified both as Group B (Gaz).

6. CPWD classified all its posts based on the DoPT notification.

7. DGQA (MoD) classified Scientific Asst, Asst Forman & Chief Draftsmen as Group B (Gaz).

8. DGQA (MoD) classified Junior Technical Officer (Scientist) &Chief Draftsmen in Scale Rs.7450-11500 / Level 7as Group B (Gaz)

9. Nine Central Government departments classified the posts of Junior Engineer (Civil, Mechanical & Electrical) as Group B (non-Gaz).

10. The main reason for non-acceptance of this demand, given by the Committee, was that the number of posts in Group B Gazetted would be substantially raised if all posts in Level 7 on the Railways were to be given Group B Gazetted and the Committee unjustly cited a figure of over 2.9 lakhs posts which would have to be classified in Group B if all the Posts in Grade Pay 4200/ Level 6 and Grade Pay Rs.4600/Level 7 were to be placed in Group B.

12. Technical Supervisors were the only ones to seek classifications in Group B Gazetted for SSE,CDMS & CMS and sought Group B Non-Gazetted for JEs, DMS & CMSs keeping in view their Duties & responsibilities and parity with their counterparts in other Departments. But the Committee clubbed them with the non-technical cadres and complicated the issue by focusing on projected numbers rather than the merits based on duties and responsibilities.

13. 7th CPC in its recommendations for Technical Supervisors in para 11.40.113 said that, “there is some element of stagnation at the GP 4600 stage. Accordingly Railway Board should consider enhancing the number of posts in the next higher level, with commensurate increase in the number of directly recruited Group 'A' officers so as to maintain the 1:1 ratio”. These Recommendations of 7th CPC for improving the avenue of promotion for Senior Section Engineers have not at all been considered by the Committee.

…Continued on page - 8
Committee set-up by the Railway Board to examine on Classification of posts from Group C to Group B has unjustly recommended that all posts in Level 7 on the Railways to be classified in Group B) Non-Gazetted.

IRTSA has rightfully termed the report to be unjust and retrograde and has reiterated the demand for Group B (Gazetted) for SSEs. Railway Board has rejected the Recommendations of the Committee as being not feasible for implementation.

Much awaited report of the Committee on Classification of Posts was submitted in the last week of February 2019. The terms of the Committee was “To examine in detail the issue of granting Group ‘B’ status (Gazetted/Non Gazetted) to various existing Group ‘C’ posts of Indian Railways (including implications and modalities) in line with DOP&T Order dated 09.11.2017”

The committee proposed that, all employees in Grade Pay Rs.4600/Level-7 on substantive basis be classified as Group-B (non-Gazetted). It looked like a step forward. But the riders proposed by the committee were very serious in nature. Group B (Non Gaz) in Railways is entirely a new concept, and either way it would not have eliminating the stagnation of Technical Supervisors.

The committee proposed merely change in the classification from Group ‘C’ to Group ‘B’ (Non Gaz) and did not propose any structural change. The committee failed to take a note that the incumbents of SSE (Foreman/Shop Superintendents) are the only left out category from Cadre Restructuring; and that upgrading is long overdue for SSEs.

Needlessly the Committee also recommended for discontinuance of direct recruitment of Engineering Graduates at SSE level. To cope up with the growing needs of technological advancement, modernization & automation and train safety, it is necessary in today’s scenario to recruit Engineering Graduates at the level of SSE. Elimination of Engineering Graduate entry will be a retrograde step.

The Committee said that, once re-classified as Group ‘B’ (Non-Gaz), there shall be no change in any functional discharge of duties, responsibilities and processes of working and as such they will be entitled for Allowances/incentives such as PLB, ALK/Breakdown Allowance/Workshop Incentive etc., as admissible to their functional designation & Pay Level. It is obvious that when functions, duties & responsibilities remain the same and hence related allowances also have to continue.

The Committee proposed that, there shall be no change in the entitlements such as Passes, ORH etc in respect of re-classified Group ‘B’ (Non-Gazetted) employees, among the reasons for demanding Group ‘B’ (Gaz) are eligibility for passes, ORH& cabin in hospital. These facilities needed to be extended to SSE even otherwise based on their duty requirements.

The committee linked the Group ‘B’ (Gaz) demand to two main factors. Firstly to have social status & self-esteem and parity on classification of posts with other ministries in classification of posts.

Secondly the main reason for demanding classification of posts of SSEs in Group B’ (Gaz) is because of frustration at stagnation in Level-7 (in spite of grant of periodic non-functional upgradation under MACPS) due to denial of related facilities in the upgrade Pay level under MACPS; and denial of time-bound promotions to them. Those recruited directly at Level-7, especially SSEs, represented forcefully on this, pointed out that their minimum entry qualification was a professional degree. The upsetting of pay relativities between Technical Supervisors and several other categories that were upgraded due to the 6th CPC recommendations was an added factor that sharpened this grievance.

The Committee also recorded that many of those representing also believed that both sets of demands were linked- that is, a change in their classification (from Group-C to Group-B) would also lead to improved promotional prospects. After observing the main justified reasons for the demand, the committee failed to render justice to Technical Supervisors.

These very chronic conditions of Technical Supervisors in Railways need to be addressed by Railways.

The committee also did not consider the decisions taken by Board Members on various occasions in the past on Granting Group ‘B’ (Gaz) status, particularly of Member Staff’s recording that, it is long due in Railways for upgradation from Group ‘C’ to Group ‘B’ and Financial Commissioner’s formal approval based on the financial advantages to the Railways if Senior Supervisory posts are classified as Group ‘B’ (Gazetted).

Demand of IRTSA for classifying the posts of JE, DMS, CMA & JE(IT) as Group ‘B’ (non-gaz) and classifying the posts of SSE, CDMS, CMA & SE(IT) as Group ‘B’ (Gaz) is just and based on merit. These Technical posts numbering around 22,500 in Pay Level-6 and 44,700 in Pay Level-7 in Railways need to be classified same as their counterparts in other departments and Railways should create combined cadre structure for Group ‘C’, ‘B’ & ‘A’ to provide for the same.

An early review and reconsideration of the entire matter and a just decision there on is urgently required.

IRTSA MEETING ATMAHALAXMI, W.RLY

Mahalaxmi Workshop of IRTSA conducted interaction meeting on 27th February 2019. Er. Shaik Anwar Secretary IRTSA Mahalaxmi workshop welcomed the participants. Er.R.B.Singh Zonal Secretary, W.Rly briefed about the activities of IRTSA in Western Railway and appealed to members to extend their full support for all activities of IRTSA at zonal & all India level.

Er.Manish Kumar Soni appealed for membership drive to enroll 100% memberships. Members also expressed their desire to strengthen IRTSA for the purpose of maintaining separate identity and resolve the problems of the category.

Er.K.V.Ramesh Sr.JGS IRTSA explained about the impressive submission made by IRTSA to the incentive committee. He said that committee was made to understand the principle for determining the incentive rates @ minimum of pay divided by 208, increasing the Incentive rates for SSE, inclusion of left out Technical Staff of PUs& workshops, etc. He also explained about other important all India Demands of IRTSA.
SUMMARY OF RECOMMENDATIONS OF COMMITTEE ON CLASSIFICATION OF POSTS ON RAILWAYS

Committee on Classification of posts from Group C to Group B submitted following recommendations to Board:

(i) All employees in GP 4600/Level-7 on a substantive basis will be classified as Group-B (non-Gazetted). In categories such as Sr. Section Officers in Accounts Department, Nursing Staff and Teaching Staff, where employees in Level-8 & Level-9 are also categorised presently as Group-C, these posts will also be included in the Group-B non-Gazetted classification. Total number of Group-C posts reclassified to Group-B (non-Gazetted) as a result of the change in classification would be approximately 70,000.

(ii) The revised classification, based on substantive/functional Pay Level, would therefore be essentially four-fold as below:

- **Group-A (Level-10 & above)** (around 8000 in number)
- **Group-B (Gazetted) (Level-8 & 9)** (around 7000 in number)
- **Group-B (non-Gazetted) (Level-7)** (around 70,000 in number)
- **Group-C (Level-6 & below)** (over 12 lakhs in number)

(iii) Direct Recruitment in SSEs and in Level-7 in any other cadre where there is a feeder grade of GP 4200/Level-6 in the cadre to be discontinued forthwith.

(iv) In order to bring transparency and dispel the existing complaints of the present written-examination & viva-voce based promotional process to Group ‘B’, it is recommended that the present system (70/30) of promotion to Group ‘B’ (from Level-7 (Group-B non-Gazetted) to Level-8/Level-9 (Group-B Gazetted for Accounts & non-Accounts Asst. Officers respectively) be replaced by a DPC-based system, as in other Ministries/Departments in the Govt. of India. If considered required, a qualifying paper could be administered to ensure that those figuring for empanelment in terms of DPC eligibility conditions, meet minimum threshold requirements. It would be desirable to have even this qualifying paper set centrally and administered appropriately in field units. Minimum benchmark score, validity and administering agency can perhaps also be defined for enhancing credibility of the process.

(v) Once re-classified as Group ‘B’ (Non Gaz), there shall be no change in any functional discharge of duties, responsibilities and processes of working and as such they will be entitled for Allowances/incentives such as PLB, ALK/Breakdown Allowance/Workshop Incentive etc., as admissible to their functional designation & Pay Level.

(vi) There shall be no change in the entitlements such as Passes, ORH etc. in respect of re-classified Group ‘B’ (Non-Gazetted) employees.

(vii) The re-classified Group-B (Non-Gazetted) employees shall continue to be eligible for participating in recognized Trade Union activities, as at present.

(viii) Committee do not agree to the demands received (especially from SSEs) that they be allowed to form a separate Association/Union to negotiate on their behalf with Administration as permitting Post-based Associations would go against the fundamental concept of the Railways’ stand that the recognized Trade Unions at the Divisional/Unit Level with their Zonal structure and ultimate affiliation to either of the two recognized Staff Federations (AIRF & NFIR) represent all Departments and are thus authorized to negotiate with Administration without Departmental or Post bias.

(ix) On reclassification as Group ‘B’ (Non Gazette), all Disciplinary powers except the stiff major penalties of Compulsory Retirement, Removal and Dismissal from service be retained at the Controlling Officer/Branch Officer Level, as at present. Stiff major penalties (Compulsory Retirement, Removal and Dismissal) that are presently being exercised by JAG/Branch Officers at present be shifted upwards to SAG (either ADMR or functional HoD at HQ) with the CHoD/PHoD then becoming the Appellate Authority for these (stiff major penalties).

(x) The RRs for Group-B posts (whether Gazette or non-Gazetted) will have to be framed as per the procedure laid down after having consultation with DoP&T, UPSC & M/o Law. Other rule books, including the IREC, will also have to be amended to reflect the changed classification.

**Income tax in new financial year 2019-20**

1. **Section 87A rebate**
   The amount of tax rebate under Section 87A has been increased from Rs. 2,500 to Rs. 12,500. Further, it shall be available to a resident individual whose total income does not exceed Rs. 5,00,000.

2. **Standard deduction from salary**
   Limit of standard deduction for the salaried class has been increased from Rs. 40,000 to Rs. 50,000.

3. **No deemed rental income on having two residential house properties**
   If an individual owns more than one self-occupied house property then only one house property is treated as self-occupied and its annual value is computed as nil. For other house a notional rent is computed and charged to tax under the head 'Income from House Property'.

   Section 23 has been amended with effect from 1/4/2019 to provide relief to the taxpayers by allowing them an option to claim nil annual value in respect of any two houses declared as self-occupied. The aggregate deduction for interest on housing loan for both houses cannot exceed Rs. 2,00,000.

4. **Section 54 relief extended to 2 residential houses**
   Any long-term capital gains, arising to an Individual or HUF, from the sale of residential house property is exempted to the extent such capital gains are invested in another residential house property. The taxpayer is allowed to invest only in one residential house in India to claim section 54 relief.

   From financial Year 2019-20, an assessee shall be able to claim exemption under section 54 even if he invests in two residential houses in India, but limit on capital gain shall not exceed two crore rupees. The assesses can exercise this option only once in a lifetime.

5. **TDS on interest income**
   Section 194A has been amended by increasing the threshold limit from Rs. 10,000 to Rs. 40,000 for deduction of tax at source on interest income, other than interest on securities, paid by a banking company, co-operative society or a post office.

6. **TDS on rental income**
   The threshold limit for deduction of tax at source under section 194-I on rental income has been increased from Rs. 1,80,000 to Rs. 2,40,000.
REVISION OF HOURLY RATES OF INCENTIVE BONUS

Highlights of Proposal by the Railway Board

1) Report of 7th CPC as under,

   For most of the allowances that have been retained, we have sought to provide a raise that is commensurate with raise in DA. Accordingly, allowances that are in the nature of fixed amount but not DA indexed have generally indexed by a factor of 2.25. Allowances that are in nature of fixed amount but partially indexed to DA have generally raised by a factor of 1.5. Allowances that are in nature of fixed amount but fully not indexed to DA have not been given any rise. Regarding percentage based Allowances, having regard to increase in the pay structure (and consequently the basic pay) as a result of recommendations of this Commission, and keeping in mind the rise granted to slab-based allowances, the quantum of percentage based allowances has been rationalized by a factor of 0.8.

2) The above guidance of the Pay Commission is proposed to be used for raising incentive hourly rates though these were not strictly in the nature of allowance.

3) An hourly rate is not DA linked. Thus, the committee held that it be treated like fixed allowance that is different for various categories of staff and thereafter apply the rationalization factor of 0.8 as envisaged in the 7th CPC recommendations as shown above. Thus, the revision factor would come to 2.25 x 0.8 = 1.80. Thus, the committee proposes that hourly rates to be fixed at 1.8 times the earlier rates.

4) In order to bring parity with increase in incentive for incentive staff and JEs, it would be appropriate to moderate the rationalization factor for SSEs from 0.8 to 0.7. This will provide same order of increase to SSEs as incentive staff and JEs.

5) Incentive for SSE = 15% of (new basic) x Moderated rationalization factor (0.7)

6) Further, in order to build the efficiency into the system the following process and timing improvements are proposed to be introduced along with this revision in hourly rates/incentive bonus to build a win-win situation for the organization and hard working employees.

7) Bio-metric based attendance and job card printing to be introduced 100% in all incentive workshops/PUs.

8) Third party inspection to be introduced in the workshops to bring professionalism in quality inspections and bring the quantum improvement in quality of output of Railway Workshops/PUs.

9) A 5% cut in allowed time to rake in benefits of improvements in machines, material and process technologies.

10) SSEs/JEs be paid incentive at the substantive basic pay of the regular post held by them and not the basic pay granted to them on financial upgradation under MACPS.

11) The revised rates as proposed be effective with prospective effect.

IRTSA ICF ZONE HOLDS PONGAL CELEBRATION 2019

IRTSA ICF Zone conducted Pongal celebrations grandly in TTC auditorium ICF on February 2019 as done every year. Meeting began with distribution of sweet pongal. Shri.Shubhanshu, PCME/ICF graced the function as Chief Guest and wished all ICF family. Chief Medical Officer, CME/Planning, CDE, CWE and many officers graced the celebration besides members of IRTSA. Dr.Khannan, ACMOICF made a power point presentation Ortho management. Earlier, Er.K.Gobinath welcomed the gathering and Er.Shanmugam briefed about the activities of IRTSA.

GEORGE FERNANDES Passes Away

Former Railway & Defence Minister George Fernandes, one of the most firebrand politicians independent India has seen, passed away on Tuesday, January 29, after a prolonged ailment. He was aged 88. Native of Mangaluru in Karnataka, George Fernandes was a key member of the Janata Dal and is the founder of the Samata Party. He has held several ministerial portfolios including communications, industry, Railways, and defence.

Fernandes was a central figure in the unionisation of sections of Bombay labour in the 1950s. As a labour organiser, he served many prison terms when his workforce engaged in fights with company goons.

The most notable strike organised by Fernandes, when he was President of the All India Railway men’s Federation, was the All India Railway strike of 1974, where the entire nation was brought to a halt. The strike was the result of grievances by railway workers that had been built up over two decades before the strike.

He rose to fame as an anti-Emergency crusader and civil rights activists and served as a Union Minister in the Janata Party government headed by Morarji Desai that came to power in 1977 to 1980.

Fernandes served as the Defence Minister of India in both the second and third National Democratic Alliance governments (1998-2004). During his tenure as the defence minister, the Kargil war over Kashmir broke out between India and Pakistan in 1999.

He has made 18 visits to the icy heights of the 6,600 metres (4.1 mi) Siachen glacier in Kashmir, which holds the record of being “the world's highest battlefield”. He was known for overseeing a huge increase in India's defence budget as compared to the allocations made by previous governments.
HIGHLIGHTS OF RESTRUCTURING OF GAZETTED CADRE OF GROUP ‘A’ SERVICE IN RAILWAYS

1. The gazetted cadre as on 01.01.2015 of Group ‘A’ services of Indian Railways have been reviewed and approved by the Cabinet for restructure & strengthening the set-up to cope with increased workload & responsibilities.
2. Following are the organised Group ‘A’ cadres of Indian Railways
   a) Indian Railway Accounts Service (IRAS)
   b) Indian Railway Personnel Service (IRPS)
   c) Indian Railway Traffic Service (IRTS)
   d) Indian Railway Service of Engineers (IRSE)
   e) Indian Railway Service of Electrical Engineers (IRSEE)
   f) Indian Railway Service of Mechanical Engineers (IRSM)
   g) Indian Railway Stores Services (IRSS)
   h) Indian Railway Service of Signal Engineers (IRSEE)

3. 100% of revenue posts and 75% of work charged posts are taken as cadre strength.
4. 25% of work charged posts will be surrendered. Out of 25% work charged posts 705 posts will be surrendered so as to not to adversely impact the present incumbents remaining 440 work charged posts would be assessed for phasing out over next five years.
5. Cadre review approved by cabinet with following conditions,
   a) For creation of posts above SAG level MoR may seek the approval of Cabinet.
   b) For creation of posts below SAG level MoR may seek the approval of Finance Minister.

DoPT Clarification on applicability of “Very Good” benchmark for financial upgrade under MACPS for Department of Posts. No.7-8/2016-PCC (Pt.) 13.03.2019

Sub: Clarification on applicability of “Very Good” benchmark for financial upgrade under MACPS and consideration of “Good” benchmark for the previous years before 25.07.2016.

This office is in receipt of large number of references consequent upon the clarification issued vide DG Posts’ letter of even number dated 02.07.2018 on the above mentioned subject, regarding allowing opportunity of making representation against „good” benchmark and relaxation of benchmark for MACPS.

2. In this context, it is reiterated that opportunity of making representation against the APAR which are post 2009 cannot be given as it is already disclosed to the employees in APAR process.

3. Further, the benchmark for the purpose of financial upgrade under MACP was enhanced from „good” to „very good” w.e.f. 25.07.2016 i.e prior to 25.07.2016 the benchmark was „good” for MACPS. As such, the „good” grading of APAPRs for the period prior to 25.07.2016 may be considered for financial upgrade under MACPS.

However, the „very good” benchmark applicable w.e.f. 25.07.2016 cannot be relaxed for MACPS.

NR HQ letter No 724 E/Court Case EIIBI, 06.02.2019

Railways not to implement report of the committee on classification of posts

Please refer to Board’s letter No. PC-VIII/2017/RSRP/2(Pt.II) dated 18.06.2018 regarding constitution of a Committee to examine Classification of Railway Posts consequent upon implementation of 7th CPC recommendations through RS(RP) Rules, 2016. The report submitted by the Committee was uploaded on Board’s Website i.e http://www.indianrailways.gov.in/.

2. Consequent to uploading of the report, it has been observed that a general perception has been created about the recommendations of the Committee treating it as final. In this regard, it is clarified that the report of the Committee was considered by Board and it has been decided by Board that recommendations of the Committee are not practically feasible for implementation.

3. It is also advised that till any further orders are issued, the existing guidelines circulated vide Boards’ letter dated 08.01.2010 (RBE No. 5/2010) will continue to be applicable.

File No. PC-VII/2016/RSRP/3, RBE No. 50/2019, dated 13.03.2019

Sub: Bunching of stages of pay in the pre-7th CPC pay scales consequent upon fixation of pay in the revised pay scales based on 7th CPC – regarding.

Please refer to Board’s letter of even no. dated 27.09.2017 forwarding therewith a copy of Ministry of Finance, Department of Expenditure’s OM No. 1-6/2016-IC dated 03.08.2017 regarding clarification on bunching of stages in the revised pay structure under CCS(RP) Rules, 2016 for adoption of the same in Railways with respect to RS(RP) Rules, 2016.

Now, Ministry of Finance, Department of Expenditure vide their O.M. No. 1-6/2016-IC/E-IIIA dated 07.02.2019 (copy enclosed) have issued further clarifications on the subject matter. No. 2018/Trans.Cell/Health/Medical Card, Dated: 20.03.2019

Sub: Issue of Cashless Treatment Scheme in Emergency (CTSE) Card at the time of retirement.

Ref: (1) Railway Board letter no. 2018/ Trans. Cell /Health/ Medical Cards dated 03.07.2018.

With reference to GM/SEC/R’s letter at (2), and Board’s letter at (1) above, Board (MS, FC & CRB), have approved the following:

Issuance of Cashless Treatment Scheme in Emergency (CTSE) Card to willing and eligible retiring Railway employees and their dependants at the time of retirement or before subject to their deposition of the required fee as per extant rules and the same will be effective from the next day of retirement.

Other extant instructions/guidelines issued from Board on the subject shall remain unchanged or as modified from time to time.
14. Number of Posts of Group A and Group B are very low on the Railways as compared to the total strength of 12.75 lakhs of Railway-men as well as compared to nearly 80,000 posts to Supervisory and managerial staff presently in Group A, B and C combined together.

15. As such, it was necessary to substantially increase the number of Officers in Group A and B on the Railways. This has been accepted by Railway Board, CRB, Financial commissioner, Member Staff and many other Board officials had recorded their ascent for the same and placed them on record of the Railway Board. This can only be effectively achieved through Classification of the Posts of Technical Supervisors in Group B Gazetted and upgradation / reclassification of a reasonable number of posts presently in Group B to be upgraded/reclassified in to Group A.

16. The committee has also not considered Railway Board’s own decision on the financial advantages Railways are expected to get by increasing the strength of Gazetted Cadre in Railways, besides other administrative advantages.

17. Demands in a Nut Shell

i) Senior Technical Supervisors (sanctioned strength 44660) in GP Rs.4600/Level 7 to be classified in Group B Gazetted;

ii) Technical Supervisors (JEs, CMAs & DMSs with sanctioned strength of 22446) in Grade Pay Rs.4200/Level 6 to be classified in Group B Non-Gazetted.

iii) Periodical (Combined) Cadre Restructuring of Posts in Level 6 to Level 9 (including those of Technical Supervisors which are proposed to be placed in Group B and the existing Group B);

iv) Continuation of 20% Direct Recruitment of Engineering Graduates as SSEs on Railways, is required for effective introduction & implementation of continued modernization on Railways. However, adequate avenues of promotion be provided to them and to all Technical Supervisors through “time-bound-promotion” and periodic Cadre Restructuring;

v) Introduction of DPC based system, as prevailing in other Departments, for Promotion from Level 7 to Level 8 onwards, to simplify the procedure and to speed up Gr-B (Gaz) selections;

vi) Senior Supervisors on the Railways do require a forum to represent & for redressal of their grievances & problems to ensure adequate level of job satisfaction essentially required for effective discharge of their duties and responsibilities – as has been repeatedly emphasized by the Railway Accident Inquiry Committees (RAICs), Railway Reforms Committee and Railway Safety Committee etc;

vii) RRs (Recruitment Rules) for promotion to Group B to be liberalized in line with the similarly placed Staff in other Central Government Departments.
