IRTSA Meeting with Union Finance Secretary & Addl Secretary DoE

IRTSA demands higher & exclusive pay level & remove ban on creation of posts for Technical Supervisors

Dr.M.Raghavaiah GS NFIR led the delegation of IRTSA, M.Shanmugam President, K.V.Ramesh GS & G.Aranganathan JGS IRTSA.

On 22nd Dec 2023, Team IRTSA led by Dr.M.Raghavaiah GS NFIR and leader JCM Staff side met Dr.T.V.Somanathan Union Finance Secretary and Ms.Parama Sen Additional Secretary (DoE) at Finance Secretary's chamber in Ministry of Finance.

It was submitted to Finance Secretary that 50% upgradation granted w.e.f. 01.12.2022 for supervisory categories in Railways has only cleared partial stagnation for the category of SSE. Exclusive higher pay scale available for SSEs in Railways in apex Group-C due to Justice Miabhoy award maintained upto 4th CPC, diluted in the period of 5th, 6th & 7th CPC need to be restored.

IR a unique organization and ban on creation of posts will result in compromising safety in train operation. Lifting of ban on creation of posts in the category of Technical Supervisors is very much needed especially when Government is doing huge investment in Railways and introducing new trains in large number. Hence, it was submitted to Finance Secretary that, Technical Supervisory category should be exempted from ban on creation of posts.

Integral Coach Factory, coaching production units of IR has indigenously designed and manufacturing national importance "Vande Bharat" Train Sets. It is submitted to the Finance Secretary that Railway may be permitted to approve the proposal of GM ICF for creation of SSE posts at level-8 for manufacture of "Vande Bharat" Train sets.

Finance Secretary listened to the submission, interacted positively and agreed to consider the demands.

"SUCCESS COMES TO THOSE WHO BELIEVE"

Editorial**2024-NEW YEAR MESSAGE**

Dear Technical Supervisors / Rail Engineers,

The start of New Year is an opportunity to recollect the past, live the present and plan for the future. It is also time to express gratitude for individuals, family, friends, organisations and society as a whole.

While stepping into 2024, IRTSA members should pledge to work for achieving 100% membership for our organisation. Collection of annual membership subscription of Rs.400 per member should be ensured by all office bearers and strength of IRTSA should be reflected in its memberships. We should concentrate on spreading organisation roots across Indian Railways by conducting many micro level meetings.

There are many key issues need to be addressed by Government. 100% upgradation of SSE, CMS, CDMS & SE(IT) to level-8 and grant of Group-B (Gaz) are two key demands we need to pursue with Government. Cadre Restructuring orders which is due in October 2023 has not been issued. Cadre Restructure Committee's discussion with staff side is expected to get pace to arrive agreeable structures in Group-C categories and for earlier release of orders. Anomalies on MACPS need to be pursued effectively to get some benefits for stagnant seniors.

Central & State Government employees' agitation for scraping of National Pension Scheme (NPS) and restoration of old pension scheme (OPS) for those appointed after 01.01.2004 is getting into crucial stage. NJCA has decided to observe Relay Hunger Fast of 24 hours from 08th January, 2024 to 11th January, 2024 throughout the country. Relay hunger fast will be observed at Jantar Mantar, New Delhi also. IRTSA should stand shoulder to shoulder with staff side and working class for restoration of OPS and all our members should actively participate in the agitations. IRTSA will be able to move forward for achieving the demands with all your cooperation and active participation in the year 2024.

On behalf of IRTSA & myself I wish all IRTSA members and Railway men and their family a **happy and prosper new year 2024**.

Good bye 2023, Welcome 2024.

Long Live IRTSA

Oppose the Privatization of production of Vande Bharat trains which have been designed and are being built by Integral Coach Factory (ICF), Chennai – Online conference organised by All India Forum Against Privatization (AIFAP)

Shri M. Shanmugam, Hon'ble MP, Com. Shiv Gopal Mishra, General Secretary, AIRF, Dr. M. Raghavaiah General Secretary, NFIR, Com. Sukumar Damle, National Secretary, AITUC, Shri V. Muralidharan, General Secretary, DMK ICF LU and Com. B. Rajaram, General Secretary, ICF UWU (CITU) addressed the conference.

GS/IRTSA makes PPP explaining the facts

On 17th December All India Forum Against Privatisation (AIFAP) organised online seminar opposing Privatisation of production of Vande Bharat trains which have been designed and are being built by Integral Coach Factory (ICF), Chennai

In his power point presentation, Sri.K.V.Ramesh, General Secretary, Indian Railways Technical Supervisors Association briefed about ICF's growth from 1955 to till date. ICF started manufacturing BG second class coaches has developed itself as largest coach manufacturer in the world, designed and produced many varieties day & night coaches, 1st Class, AC class, non-AC class, sleeper class, general class, and self-propelled coaches like Vande Bharat, EMU, MEMU, DEMU, METRO, Accident relief car, Inspection car, coaches for defence applications and so on. He explained huge scope available for the expansion of ICF in all fronts. Designing of new type of coach, flexible & dynamic production system, development of supply chains & MSMEs, arrangements for compensating shortage of ICF man power, availability of Railway land next to ICF compound for physical expansion of factory are explained. The presentation explained the importance of ingeniously designed game changer product "Vande Bharat" Train Set produced at the cheapest cost of Rs.104.35 crores. Vande Bharat platform will be further improvised to design and develop Vande Metro, Vande Sadharan and Gati Shakti freight transport, he said.

He said BEML Bangalore has been given preference over ICF for design and manufacture of "Vande Bharat" sleeper trains. 10 sleeper VB train sets were ordered to BEML. ICF design will be used, with required changes for sleeper at approximate cost of Rs.140 crore for one 16 coaches sleeper train set. Eventually Vande Bharat will end up in private hands, since Government is having a programme to sell 26% of its stake from the present 54.03%.

Rs.58,000 crore worth of manufacturing cum maintenance contract for 200 sleeper VB train sets will take away the work load of PUs, Workshops & open line depots. 120 sleeper VB train sets at Marathwada Rail Coach Factory (MRCF) Lathur by Rail Vikas Nigam Ltd (RVNL) and Russian TMH & LES. 80 Sleeper VB train sets at Integral Coach Factory (ICF) Chennai by Titagarh Rail Systems Ltd and Bharat Heavy Electricals Ltd consortium. Maintenance by private manufacturers at six to eight Government depots situated in Delhi, Mumbai, Kolkata, Hyderabad, Bengaluru, Jodhpur, etc.

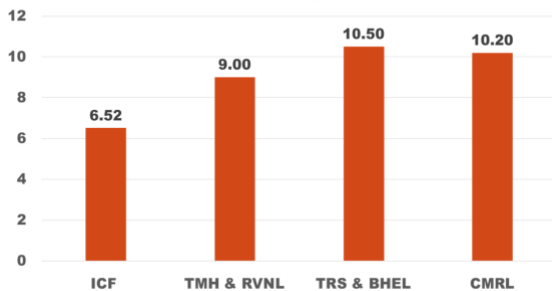

Cost of 16 coach chair car formation manufactured by ICF is Rs.104.35 crores. Cost of purchase of 16 coach sleeper Vande Bharat train set from RVNL, THM & ELS is expected

..... continued in page-5

Oppose privatization of PUs Continued from page-4

to be approximately Rs.120 crores and approximately Rs.140 crore by Titagarh & BHEL. He said average cost of manufacturing by private companies will be higher atleast by 20% since Government is sparing infrastructure, design, man power, development fund, etc.

~ Average cost /coach Rs in Cr after Adding 20% for sparing infrastructure, man power, development fund, etc to private companies

In a nut shell he concluded that after getting direct access to approved design, infrastructure of ICF for production, inspection & commissioning, free electricity, compressed air, water, ICF men power, etc and grant of Rs.70 crore for purchase of machines etc, cost of private companies remains high at range between Rs.120 to 140 crore per 16 coach train set., whereas ICF can do it in much lesser cost of Rs.104.35 crore. More over large work force will end up in the hands of private exposed to exploitation.

The subscribers are allowed to withdraw up to 60% of their pension corpus, through the SLW on a periodical basis viz. monthly, quarterly, half-yearly or annually for a period till 75 years of age as per the choice at the time of their normal exit.

3. All Nodal offices, Points of Presence, NPST and Corporate can disseminate the information about SLW for the associated Subscribers who superannuate or reaching the age of 60 years and plan to exit from NPS. This circular is issued in exercise of powers conferred under section 14 (1) of The Pension Fund Regulatory & Development Authority Act, 2013.

No. E(NG)/I/2018/PM1/4, RBE No:122/2023, dated 07.11.2023.

Sub: Selection for promotion within Group 'C' posts introduction of 100% objective type multiple choice questions – clarification reg.

Clarifications have been sought by certain Railways/ PUs on procedure to be adopted on certain issues connected with objective type questions in departmental selections/ LDCE etc. The matter has been examined by the Board and the position with respect to the issues raised is clarified as under:

Query-1: What action is to be taken if the question paper contains mistakes viz. questions having no correct answers in all four options (multiple choices), ambiguous questions; wrong mathematical or scientific symbols and if the Paper Setter himself confers his/her mistakes in the question paper.

Clarifications: As per Railway Board's letter No. 2010/E(RRB)/25/27 Pt. dated 09.06.2011 which Stipulates the wherever any question(s) in the question paper(s) is found to be incorrect, the question(s) may be omitted from the scope of evaluation instead of giving grace mark(s) and raw score may be assessed on percentage basis. The same Principle may be adopted for departmental examinations also.

Query-2: Who can be the competent authority to take decision to identify question(s) as wrong and to omit such question(s) from the scope of evaluation, whether the question paper setter or the next higher authority,

Clarifications: After concluding the departmental examinations, objection from the candidates may be obtained Members of Selection Board i.e. Question paper setter should decide regarding correctness of questions/options and evaluator should also satisfy himself with the same, before starting the evaluation.

Query-3: The procedure of RRB selection and departmental selections are different as in RRB, 100 questions are provided to candidates with direction to attempt all the questions whereas in departmental selections, there are total 110 questions i.e.100+10 optional questions of Rajbhasha. Out of 10 questions, only 100 questions required to be attempted by the employees. In this situation, some of employees / may attempt wrong question (s) and some of them may not attempt the wrong question and attempt other question (s) of Rajbhasha already available in the question paper in such a situation two type of answer sheets are available one is for those employees who have attempted wrong question (s) and 2nd for those who have not attempted the so called wrong question (s) and instead of wrong question (s) attempted other question (s) available in question paper.

Clarifications: The following procedure being followed in selections and LDCE for promotions from Group-C to Group-B may also be made applicable for Group C selections/Lock.

"In Case some of the question(s)/answer(s) therein are incorrect, the procedure as prescribed in the letter No. 2010/E(RRB)/25/27/ dated 09.06 2011 is to be adopted only for those candidates who have attempted that/ those incorrect question(s) or question(s) with wrong answer(s). This will be applicable to question paper(s) involving optional question(s)

Query-4: Whether the procedure to be adapted in the departmental selections needs to be notified to the candidates (employees) in advance.

Clarifications: The procedure being followed presently may continue on the same may be modified as deemed fit to suit all existing requirements. Provision of deletion of question in case of wrong answer should be mentioned in the notification.

Query-5: It is there any limit on the maximum number of questions that can be omitted from the scope of evaluation and order for cancellation of written examination if the number of questions identified as wrong which exceeds the certain limit?

Clarifications: No such limit has been prescribed.

This disposes off SCR's letter No. P(R)605/XIV dated 08.07.2021, ICFs letter No.ICF/ VIG/2021/ PC/285 dated 26.04.2021, NCR's letter No. 797-E/NCR/ Policy/Selection/ 2022 dated 06.06.2022 and BLW's letter no. GM(P)CC/Selection/ Policy dated 02.09.23.
